

# FORD TRANSIT

**TCI** Mobility™

QUALITY. DURABILITY. INNOVATION.

## FEATURES

The Ford Transit is designed for capability and flexibility – and engineered to Built Ford Tough® standards for durability. Configure a Transit Cargo Van or Passenger Wagon with the combination of load floor length and height for the cargo volume/payload or passenger capacity you need.

The Transit offers a variety of wheelbases and body lengths to fit your needs, especially when transporting people – available in three sizes: a 130-inch wheelbase with 126-inch load floor, a 148-inch wheelbase with 143.7-inch load floor, and a 148 inch wheelbase/extended body with 172.2-inch load floor. Pick the amount of floor space you need. The 130-inch wheelbase has a medium roof height of 100". The Transit 148 inch wheelbase has a medium roof height of 100" and a high roof over 110". If you choose the 148-inch wheel/extended body model, your roof height will be 109".

Ford QVM Certified upfitter

Longest, strongest conversion warranty in the industry

TCI Mobility delivers its own vehicles, no third party deliveries

Financing available for ALL credit situations

## SPECIFICATIONS

- GVWR range from 8,650 lbs. (single rear wheels) to 10,360 lbs. (dual rear wheels)
- Standard 3.7L V6 delivers responsive performance with 275 horsepower and 260 lb.-ft. of torque.
- Optional 3.5L Eco Boost V6 generates 310 horsepower and has a best-in class\* V6/V8 maximum gas torque rating of 400 lb.-ft.
- Applications such as transport duty call for an engine to run many hours a day under constant idling and stop-and-go conditions. The answer: the available direct-injected 3.2L Power Stroke® inline I-5 Turbo Diesel. This B20 biodiesel-capable Transit engine option is designed to help give you the right balance of power and performance, plus proven Ford diesel ruggedness and dependability.
- Every Transit engine gets a 6-speed Select Shift® transmission designed for low-end acceleration and high-end performance.
- 6 different chassis configurations in stock available through TCI Mobility
- Dozens of floor plan configurations available
- Over 100 Ford Transits in stock at all times for quick turn around and delivery times
